Commissioner Fleming,

I am writing to urge you not to vote for the exorbitant rate increase planned for Duke Energy. The company has admitted to having over 12 BILLION, YES WITH A B, in the bank that they refuse to bring into the US and now they want to charge me an additional 17%!!!

The disgusting claim of need is ridiculous and you should be ashamed of yourself to even consider voting in favor of this request.

Thank you,  
Tony D. McCraney
